

Welcome to Weekend-camp in Evje

Evje Taekwondo Klubb welcomes everyone to Weekend-camp 5.-7 of March 2010.

There will be a camp for all who train Taekwondo, which means that we are betting on to have three parties: Black Belt, Color Belt and the Children's Party. It is a good opportunity for athletes who usually only are on the summer camp and winter camp, to train with other like-minded. And so it's a golden opportunity to take a trip south, rather than remain on the east and west of the country. Evje is located 60 km north of Kristiansand.

Instructors so far is:

For the adoult groups;
Grandmaster Cho Woon Sup
Master Stig Einar Jakobsen

Children's group;
Kyosa Eirik Brottveit
Kyosa Freddy Tangen

For now it is scheduled to begin on Friday evening, with a common training for all, followed by an opening ceremony with a demonstration.

On Saturday there will be a lot of practice, with an excellent dinner in the evening, at a local restaurant for those who are interested in it, but it will also be pizza-night party for children in the training premises.

Sunday will be filled up by a couple of practices before we pack up and go home.

The camp will be held in Otrahallen, where we are going to allocate a hall (which can be divided into two), a shoot-local (Evje Taekwondo Club's Do-jang), and a small mirror-hall, so we will have enough of space. Accommodation is in the premises, and for a small \$, it is possible to rent a mattress and full bed linen.

Pris:

Camp:	650,-
Restaurant dinner:	200,-
Madress m. Komplette sengetøy:	125,-
